

## Tailor Made Proposal Form

We're delighted that you are considering working with Experience Quest for your expedition.

We are dedicated to making each expedition tailored to the aims and objectives of every individual group. The questions below will help us to further determine how best we can achieve this for you. Please fill in as many sections as you can, don't feel you need to complete it all, but the more information you can give us, the better equipped we will be to provide you with an initial set of alternatives. Please note, this is just the first step, and we will be working with you between now and departure to continue developing the programme to ensure it is a success for all involved.

Any questions you have in the meantime, or if you would prefer to go through your ideas over the phone or by email rather than completing this form, just get in touch.

## Contact Details

Email:	<input type="text"/>	
Contact phone:	<input type="text"/>	Mobile: <input type="text"/>

## Trip Overview

Please give us a brief overview of your group's background and what you are looking to achieve on your expedition:

Can you give us an indication of possible group size, length of trip, typical age of participants?

Any particular country/continent you are interested in visiting?

Is there a specific aim or objective you would like to achieve with the group?

Can you give an indication of an approximate budget per participant (not including international flights)?

How did you hear about Quest Overseas?

Any further information you think may be useful for us at this stage?
